### Celebration and Appreciation

Each week, we celebrate and recognize a student who has shown random acts of kindness and character as our Clark Caring Student of the Week. This week, we are recognizing **Juliana Vallone** for graciously offering to help Ms. Hutcheson carry materials to her room.

*Students- Make sure to email Dr. Judd or drop a slip in the front office when you see others doing random acts of kindness and character.*

Thank you to the family of **Juliana Sequeria** for providing the weekly staff breakfast yesterday!

February's Month of Caring fundraising hosted by **Interact Club** collected over **\$700** for the Leukemia and Lymphoma Society. Pictured with the **Blood Drops**, sold-and-signed as part of this fundraiser, are our Hero Squad Co-Chairs **Sarah Michels and Joseph Arias**. Thank you to all Clark students, families, friends, Rotarians, and staff who supported this amazing cause!

Shout out to Interact Club member **Brendan Hoffman**, Clark senior, for facilitating the **One Warm Coat drive** over the past few months. Donated coats – with encouraging **“pocket notes” of HOPE** written by Interact Club members on March 1 - were delivered to the Homeless Coalition of Palm Beach County. Thanks to all students, families, and staff who made coat donations to keep others warm on the cold Florida nights!

At the assembly this week, we celebrated the following students who were nominated for the **pillar of Caring: Jordan Bassett, Al Cornacchio, Skylar Crumpler, Delaney Dyer, Rudy Francois, Brianna Gasparini, Katie Hale, and Sadie Mann**. After a tough choice with SO many students who are truly caring, **Katie Hale and Skylar Crumpler** were awarded the pillar of the month. Mrs. Kohuth shared the multiple ways all of the staff and students see their caring daily.

BHM contest winners were also recognized- **Jasper Kimbutte and Delaney Dyer**. Both winning submissions are attached and Delaney graciously presented a portion of hers during the assembly this week.

### Handbook Highlight

**Cars are not to pass cars on Crane Lane.** This week on two occasions cars of a parent and of a student were noticed passing another car exiting Clark on "Crane Lane" at the speed bumps. For the safety of all drivers and passengers, please heed the 20 mph speed limit and use patience and caution while exiting & entering our campus.

### Parent Corner

*We have seen a dramatic increase in mental health issues and suicidal ideation and attempts nationwide this school year and Clark is not immune to that. Please know that there are many resources to help your teen and your family. Please do not hesitate to contact Ms. Jones to see how to access help.*
