February Math Riddle

You like math?

Solve the riddle below:

One brother says of his younger brother: "Two years ago, I was three times as old as my brother was. In three years' time, I will be twice as old as my brother." How old are they each now?

❏ Please submit your answer with your name and work shown to Mr. Bicksler (Room 135 or bbicksle@irsc.edu) by February 26th.

❏ You will receive 1 service hour for submitting your answer, and a $10 gift card will be awarded to the randomly selected correct answer.

❏ The winner will be selected at the end of the month!
