

January Math Riddle

You like math?

Solve the riddle below:

What is the smallest whole number that is equal to seven times the sum of its digits?

- In-person students:** Please submit your answer with your name and work shown to the envelope on Mr. Bicksler's door (Room 135) by January 25th.
- Remote students:** Please email your work to [**bbicksle@irsc.edu**](mailto:bbicksle@irsc.edu) by January 25th.
- You will receive 1 service hour for submitting your answer, and a \$10 gift card will be awarded to the randomly selected correct answer.
- The winner will be selected at the end of the month!
