

Attention Poets!

The Creative Writing and Performance Club will be holding a poetry contest, which is open to all students of Clark Advanced Learning Center.

The theme of the contest is "important memories," and students may write in either an open or closed form. The choice is yours! We encourage you to submit poems of varying length, but please no longer than three stanzas with four lines per stanza

Winners of the contest will receive gift cards, journals, and other prizes. Finalists will also be featured in our upcoming publication and Creative Writing and Performance event in April, and have the opportunity to channel their creativity in one of the most powerful forms of literature.

Submit your entries to windingriver@clarkalc.net or to Mr. E in Room D-132 no later than Tuesday, March 30th.
