clarkadvanced**learning**center

Tech Team members will have an opportunity to work in an Information Technology (IT) setting while earning community service hours during the summer and school year. The minimum qualifications are completion of 10th grade, at least one successful earned credit in the field of computer science, or equivalent experience, willingness to work a minimum of 10 hours during the summer, maintain a minimum of 1.5 hours per week during the school year, and no discipline infractions within the last school year. (Those with a referral will be considered on a case by case basis) Students who are accepted as members of the Tech Team will receive elevated security privileges, IT work verification letters of reference, community service hours,   and an embroidered Polo shirt. In certain instances Tech Team members may apply to complete senior internships at Clark.
